CONFIDENTIAL/SECURITY INFORMATION

- 2 -

- City jail very small. Actually the jail consists of only the first floor rooms of a private residence. The second floor of this building is used by a private femily as a residence.
- 12) Post office, telephone and telegraph offices.
- 13) State bank.
- 14) Barracks for a light artillery unit. I do not know how many troops are stationed here. The barracks compound is enclosed by a high brick fence and is located in a forest area.
- 15) Electric transformer station. The town has no electrical power plant but gets its power from overhead lines from Piotrhow, which is located about 27 kilometers west of Tomaszow-Mazowiecki.
- 16) Several textile factories are located in this area.
- 17) Tkacka Street.
- 18) Carpet factory owned by a German family.
- 19) St. Tekle Street.
- 20) Four large textile plants are located here.
- 21) Landsberg textile factory.
- 22) Carpet factory.
- 23) Cemetery Cutholics, Protestants, and Jews are all buried here.
- 24) City hospital.
- 25) Jerozolimska Street.
- 26) Police headquarters.
- 27) Fire station.
- 28) Summer residence of the president of Poland was located about eight kilometers southeast of Tomaszow-Mazcwiecki.
- 29) Large lumber mill.
- 30) Artificial gas plant, gas obtained from coal. The coal came from Polish Sileria.

Most residences are brick. Water is obtained from wells and is pure; no chemicals are required to clean it.
